

PATENT
A.D.N. 00.05.12.1

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

OATH
ORIGINAL APPLICATION
FOR
UNITED STATES LETTERS PATENT

I, John H. Schneider, pursuant to 35 USC 115 and 37 CFR 1.63, being first duly sworn, depose and state:

THAT I am a citizen of the United States of America and reside in Richardson, Dallas County, State of Texas;

THAT I have read and understand the disclosure and claims of the specification attached hereto and made a part hereof which is entitled "ENCAPSULATED COMPOSITIONS" and which is further identified by attorney docket number 00.05.12.1;

THAT I believe Steven B. Laramay and I are the original, first and joint inventors of the process, machine, manufacture or composition of matter, or improvement thereof, disclosed and claimed in the said specification;

THAT I, in accordance with 37 CFR 1.56, acknowledge that I have a duty of candor and good faith in dealing with the United States Patent and Trademark Office, which includes a duty to disclose to the United States Patent and Trademark Office all information known to me to be material to the patentability of each claim pending in the said specification;

THAT I do not claim the benefit of the filing date of a prior foreign application for patent or inventor's certificate;

In addition to the above, I further state that I do not know and do not believe:

THAT the invention claimed in the said specification was known or used by others in this country, or was patented or described in a printed publication in this or a foreign country, or was described in a patent granted on an application for patent by another filed in this country before the invention thereof by me; or

THAT the invention claimed in the said specification was patented or described in a printed publication in this or a foreign country, or was in public use or on sale in this country, more than one year prior to the filing date of this application in this country; or

THAT the invention claimed in the said specification was first patented or caused to be patented, or was the subject of an inventor's certificate, by me or my legal representatives or assigns in a foreign country prior to the date of application for patent in this country on an application for patent or inventor's certificate filed more than twelve months before the filing date of this application in the United States.

My current mailing address is:

503 Harvest Glen
Richardson, Texas 75081
